### **Overview**

This site (**AMCPROJECTPOPCORN**) includes various topics including details about different shareholder events/news and voluntary surveys. This website is run by individual investors. All surveys are voluntary. Those who visit the site can choose whether or whether not to participate in surveys.

If you submit information by participating on a survey on this website, you agree that the data submitted on this form can be used by the site owners (who are individual investors). The data and information on the site may be used for exposing corruption in the stock market by exposing synthetic shares, validating voting data, and possible other analyses. The data may also be used to attempt to help individual investors who were victims of fraud regain financial losses. The data will be stored on a private secure server. The data may be aggregated (or summarized) to present overall results or totals (of items such as shares) publicly.

### **Protecting Sensitive Data**

We take measures to protect any sensitive data and the data submitted to the website. Website visitors and survey takers **SHOULD NOT** submit sensitive personal data such as brokerage statements, financial account numbers, or other personal sensitive data. For those who are completing surveys in which they need to reference data such as brokerage or financial statements can keep those records for their own use but **SHOULD NOT** submit those records to the website.

If a website visitor or a survey taker accidentally submits sensitive personal information or incorrect information that should have not been submitted, they should contact the website administrator on the [\*\*Contact Form\*\*](#). Website administrators and approved data checkers may review the survey data submitted in order to verify accuracy and/or to identify missing or incorrect data and where needed correct the data to be as accurate as possible.

The information that you provide on the site will not be sold to any third parties.

### **Correcting Errors**

If errors, whether in information, data, or reporting are noted, they are accidental and unintentional. Unfortunately false or inaccurate data or information can lead to erroneous conclusion or reporting. If you find a possible error, we ask you to point them out to us by contacting us via the [Contact Form](#) and agree to provide evidence (and/or references) so we can review the concern and potentially correct the error. We strive to be accurate and factual in our articles and analysis.

### **Regarding Specific Surveys or Sign Up Lists**

For those that completed the AMC Share Count Affidavit survey - if they signed the affidavit they confirmed that they were a historical and/or current AMC Entertainment Holdings, Inc (ticker: AMC and/or APE) shareholder. Those who participated should understand that the affidavit is a legally binding document and should be able to attest that the information in their affidavit is true to the best of their knowledge. If requested in a Court of Law, they should be able to provide the documentation to confirm their historical AMC and/or APE stock holdings.

Regarding the AMC Share Count Affidavit survey, name, email address, state (or region), and country are collected to verify identities of those submitting the affidavit, to limit duplicate entries, and allow website administrators to answer any questions that the survey takers may submit.

For those who sign up for the email list (which is entirely optional), they agree to be contacted by the website owners and administrators regarding important updates that affect retail shareholders and ways to get involved. Those who sign up for the email list can change their mind at any time and ask to be taken off the list by submitting a request at the [Contact Form](#).
